VOLUME XXI NUMBER 21.

SALT LAKE CITY, UTAH: SATURDAY, JUNE 28, 1890.

The Party Will Make a Lengthy Visit to Salt Lake City.

TOPEKA, Ks., June 27. - Special telegram to The Herald, —After greeting the royal train on its arrival at Kansas City, over the Kansas City, Fort Scott & Gulf road this morning the train arrived two hours soomer than expected and while rallying the Commercial club to greet the distinguished vistors, your correspondent was invited to join the royal party and accoming the train and accoming the contract. The contractor the contract of the trial beard, and the trial trip of the Philadelphia as success and that the vessel is a bappy man to-night. The Wyoming bill passed the Senate to-day by a strict vote partment. It is unofficially stated, however, that the vessel is developed an average speed of 195-12 knots, nearly half a knot in greek. The contractors invited to join the royal party and accoming the trial and believe the vessel is labors. It has been an up-hill fight for are somewhat dissatisfied with the conditions of the trial and believe the vessel is pany them a portion of the way as their tions of the trial and believe the vesser is capable of a higher rate of speed and will ask for another trial. its purpose is far deeper and its objects, as explained by one of the visitors as the Union Pacific train glided along the valley of the Kaw river, merits attention

London, June 27.-The Duich steamer Prince Frederick, from Amsterdam, sank on the night of June 25, in latitude 47, north, longitude 6, west, by collision with with the British steamer Morpessa. The collision occurred during a dense fog. The doroessa arrived at Falmouth with her flows stove and her forepeak full of water. She had on board the crew and ninety-three passengers of the Prince Frederick.

Details of gales on the Scotch coast this week show nine vessels wrecked.

Report on the Original Package Roll.

WASHINGTON, June 27.-Representative bill. The Senate bill is applicable to intoxicating figures, and the figure bill to all articles of commerce. The report says in in the opinion of the committee all property which has been imported into a state.

THE ROYAL PROGRESS

and kept for sale there eight to be subject for all purposes to the jurisdiction of the state, and all persons who engage in traffic within the state ought to be subject to such rules as it may enact for the regulation of that traffic. The states are the proper judges of the needs of their own citizens, and they ought to be free to enact and enforce such laws as they may deem of best advantage to their situation and best ediculated to enhance the prosperity and happiness of their people. "In the judement of the committee," the report concludes, "it would be much wiser to enact a general law applicable to all articles of commerce than to meet an exigency with reference to particular articles as it may seem to arise, as would be the policy if the Senate bill should it be enacted."

Washington, June 27.—Consideration of the bill for the admission of Wyoming was resumed, Morgan addressed the Senate in opposition.

Payne and Gray argued against the bill and Platt favored it. The question was

caused here this afternoon by the filing of a stipulation dismissing the suit of Charlton against the Chicago Gas trust. It was on this suit that Colonel George R. Davis was appointed receiver and the dismissal of the suit will and his receivership.

Charlton's action in dismissing his suit after having secured a substantial victory caused much criticism. Expression has been freely given in financial circles to the opinion that the suit was begun for stock jobing purposes and that in bringing it charlton was acting for a permanent speculator, who is said to have made about one million dollars through the decline in the trust stock consequent upon the appointment of a receiver and its subsequent received his corner, but had been so badly

Charlton's action in dismissing his suit advantage.

In the second round wallace appeared fagtactics, but claims of four were notallowed. In the third round Wallace appeared fagtactics, but claims of four the sacred fagtactics, but claims of four were notallowed. In the third round Wallace appeared fagtactics, but claims of four were notallowed. In the third round Wallace appeared fagtactics, but claims of four the succeeding inning the American forced the fighting. From this up to the Steek a knock-down blood flowed from the skill, but in the tenth Wallace received a knock-down blood flowed from him pretty freely. He came to time, however, promptly at the call, though his weakness was plainly appearent. In each of the Succeeding rounds up to the eight that the suit was begun for stock open and the first through the factors, of the Morgan from works; E Steers, president of the Eleventh there was no great display of puglished the control of the Morgan from works; E Steers, president of the Eleventh there was no great display of puglished the suit was no great display of puglished to the safe capital of 2500,000 is provided for.
